

MERCER *elect*

Offer

**of group life insurance and medical care
for enterprises hiring between 1 and 150
employees**

welcome to brighter

*This document shall not constitute an offer under the provisions of the Civil Code (art. 66 of the CC).
This document constitutes information about the services offered by Mercer (Polska) sp. z o.o.*

What is Mercer Elect?

▶ a standardised and **cost-effective** process of implementing plans of **group life insurance** and **medical care** in your company,

▶ **Mercer Elect** is based on the offers we collected, analysed and selected as **the most beneficial** for employers who:

- wish to offer their employees sponsored benefits which are **in line with market practice**,
- have their seats in Poland and **the number of hired employees** is between 1-150,
- wish to **swiftly and quickly** implement employee benefits,
- require or will require to be serviced **in English**,
- wish to receive **brokerage advice** on plan design and terms and conditions of the benefit,
- do not find it necessary to receive additional brokerage services and completely tailor-made products.

What does it include?

a flexible proposal of a **life insurance plan** provided by one of the leading life insurers on the Polish market

8 plan variants of **medical care**
from **2** leading medical providers on the Polish market

very fast implementation of the plan thanks to a complete set of necessary documents and forms on hand

attractive conditions regarding e.g.: medical assessment, grace periods, cost and conditions guarantee
